In Memoriam

Bard Plummer

The flag was lowered to half-staff today.

*Everyone in town knew Bard passed away
And later with the Legion at a quiet peaceful spot
Taps sounded and echoed at Bard's family lot.*

*The soft echo sound seem to solemnly drift
Along the ledges at the foothills of Mt. Teneriffe.*

*Now at the end of the lane, where Bard use to roam,
He's resting in peace, 'neath the green grass of home.*

AUDITORS' CERTIFICATE

We have examined the books of the Town Clerk, Treasurer, Tax Collector, Revenue Sharing Funds, Ira S. Knox Fund, Trustees of the Trust Funds, Milton Mills Library and Milton Ambulance. We have found these accounts to be correct.

We note that the 1977 and 1976 warrants may have to be corrected by about \$559 as indicated by over-payments for those same years.

We recommend that future audits include inventories of all town owned equipment with a value of \$100 or more.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of $\frac{1}{4}$ of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

RURAL DISTRICT HEALTH COUNCIL

ANNUAL REPORT 1977

The Rural District Health Council, Inc. has experienced another year of growth and expansion of staff.

The skilled nursing remains as the priority service within the agency. The agency's staff also conducts adult health screenings weekly to member towns. This year a new program has been established in New Durham at the elementary school the first Wednesday of each month; the second Wednesday in Farmington Town Hall, the third Wednesday at the Northwood Town Hall, and the fourth Wednesday at the Milton Health Center.

The number of patients enrolled within this program being 429 with an average of 79 patients seen each month. This service is partly funded by the State Council on Aging, Title III and the Rural District Health Council. This program has become a very active one and the Council looks forward to increasing the type of screening in the new year.

The Referral Coordinator at Frisbie Memorial, Mrs. Marie Dexter, R. N. has seen an increase in referrals being made to other Home Health Agencies. With the increase in service and cost of the program the agency looks to other sources for financial help. Mrs. Marie Dexter, R. N. is on the State Discharge Planning Committee.

The agency also participates in the After Care Program in cooperation with the Strafford Guidance, and Seacoast Counseling Centers.

The Council continues Home Health Aide services through the contract with the Strafford County Home Maker, Home Health Aide Association, and also with the two Home Health Aides within the Agency; Gail LaRosa who covers the areas of Farmington, Milton, Middleton, New Durham, and Barrington, and Roberta LaFreniere covering the Northwood, Nottingham, Deerfield, and Strafford areas. This enables a better utilization of the professional staff while continuing to provide quality care.

The Child Health Program has seen an increase in service within the past year. Miss Arlene Thorne, R. N., coordinator of the program has been appointed as a member for the State Child Health Conference Committee. This program offers physical examinations, immunizations, teaching and counseling for ages 0-6 years. This is funded in part by the U. S. Dept. of Health Education and Welfare, N. H. Division of Public Health, Bureau of Maternal and Child Health Grant and the Rural District Health Council. This program has an enrollment of 835 children from 0-6 years of age. This is a costly program as

services are provided without charge to the residents. It does provide a needed service to the member towns as transportation is a problem and the services are provided in the areas. The Child Health program also provides home visits when necessary to assure continuity of care. Within this program there is a Dental program provided by the Division of Public Health, Bureau of Dental Health which provides cleaning and fluoride treatment every six months for children ages 3-6 years.

The State has joined forces with the Federal Government to implement an ongoing immunization program for all children ages 0 - school. The agency is represented on this Task Force by Ardala Houle, R. N.

Because transportation is a problem in the areas covered by the agency, the Council offered space for the Strafford County Prenatal and Family Planning Clinic to hold a satellite program once a month at the office, the first one taking place on July 26, 1977. The program is providing a need and sees an increase in service. Throughout the year we have provided home visits to the patients of Strafford County Prenatal and Family Planning Program and the Exeter Area Family Planning Program.

The continued success of the program lies in the dedication of the Agency's personnel, and the capable professional staff assures the availability of quality care. Because of the growth of the agency and the many services provided, it was necessary to appoint Marie Dexter, R. N. as Nursing Supervisor, and Referral Coordinator, and Arlene Thorne, R. N. Maternal and Child Health Coordinator covering all member towns; nurses being Barbara Drew, R. N. Farmington, Mary Timmons, R. N. Milton, Middleton, New Durham, Joanne Pearson, R. N. , B. S. N. Northwood, Nottingham, Deerfield. The Council is very fortunate to have Elizabeth Coons, R. N. on the staff covering Barrington and Strafford. Myrtle Walsh, R. N. and Alice Ziegra, R. N. B.S.N. cover when needed. Kathleen Hansen, RPT and Carl Scholls, RPT cover for Physical Therapy.

The office duties are efficiently handled by Eleanor Eaton and June Chase.

With the adoption of a new position and the salaries increased equal to the area, the Council is seeing a marked increase in the budget. The Council finds it necessary to increase the per capita request from each Town to \$1.50 in order to continue to provide these greatly needed services.

During the past year the Council has made 635 Skilled Nursing Visits, 85 Home Health Aide Visits, 20 Physical Therapy Visits, and 62 Child Health Visits with a grand total of 802 for the town of Milton.

Anyone interested in additional information is urged to contact the Rural District Health Council, Inc. P. O. Box 563, 6 So. Main St., Farmington, N. H. 03835 – Telephone 755–2202 – between the hours of 8 A.M. – 4 P.M., Monday through Friday.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium in said district on the 4th day of March 1978, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
3. To choose agents and committees in relation to any subject embraced in this warrant.
4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
5. To see if the district will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies; private agencies and or other sources.
6. To see if the District will vote to appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1977-78 fiscal year. Said sum of money is to be deposited in the Nute High School Capital Reserve fund in accordance with the provisions of R. S. A. 35 for the purpose of making major repairs, additions and alterations (to the roof, plumbing and heating system of the building and additions known as Nute High School.)
7. To see if the District will vote to appropriate a sum of money not to exceed four thousand dollars (\$4,000.00) from the unencumbered balance at the end of the 1977-78 fiscal year. Said sum of money is to be deposited in the Milton Elementary Capital Reserve fund in accordance with the provisions of R. S. A. 35 for the purpose of

making major repairs, additions and alterations to the Milton Elementary School as needed.

8. To see if the District will authorize the School Board to withdraw, after July 1, 1978, an amount not to exceed \$15,000.00 from the Nute Capital Reserve fund for the purpose of roof renovations to the building referred to as "old Nute".

9. To see if the District will authorize the School Board to purchase liability insurance under the provisions of R. S. A. 31:107 so as to indemnify the District, its School Board members, School Administrators, District Officers or agents against any claim, demands, suits or judgements arising from personal injury and/or property damage and any federal lawsuits contemplated by the indemnification statute of R. S. A. 106.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Milton this 8th day of February 1978.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Milton School District:

Enrollment in the Milton Schools as of September 20, 1977, was as indicated below:

Grade	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton													
Mills	39	15	16										70
Grammar	27	18	21	52	39	44							201

Totals	66	33	37	52	39	44	38	46	51	63	40	35	544

The Milton School District is also responsible for the education of four handicapped children currently assigned to the Great Bay School and Training Center in Newington, New Hampshire, one handicapped child being tutored at home and nineteen pupils who are enrolled in the Somersworth Vocational High School. These pupils raise the total number of children being educated by the School District to 568.

The replacement of members of the teaching staff in the Milton Schools was as listed below:

REPLACEMENT	REPLACED	GRADE OR SUBJECT
Nancy Myers	Susan Tierney	Readiness
Louise Murray	Anne Garnett	Grade 3
Jeri A. Ginter	Gail Oliver	Grade 4
James Minichiello	Richard Soule	Math
Ingrid Holmes	M. Louise Carter	Music — part time
Deborah R. Chase	Denise Owen	French

One of the key areas of activity during the current 1977–78 school year has been the further development and refinement of the curriculum by the administration and faculty. Mr. Cange and Mr. Tomes submitted a release time proposal to the State Department which was approved. This has provided additional time on a monthly basis to improve the educational goals and evaluation procedures used in the curriculum. Milton is fortunate in having a professional staff that is willing to devote this time to organization of the curriculum so that the faculty will have commonly agreed upon guidelines to be used in the process of (a) identifying educational objectives, (b) identifying student outcome, (c) identifying curriculum modification and (d) developing effective testing procedures.

Another key area of activity has been the development and revision of School Board Policies. If a School District is properly administered,

it is essential that comprehensive School Board policies are in force. The Milton School Board and administration have spent many, many hours in order to provide this type of policy direction. I commend the School Board, Mr. Cange and Mr. Buckley for their efforts in this area.

Since my last report to the Citizens of Milton, the Milton School District has been fortunate to receive a Federal Economic Development Administration grant in the amount of \$38,000. Mr. Victor Joos, Jr. and Mrs. Joan Chase, a School Board Member, were instrumental in obtaining these funds for the School District. These funds were granted for bathroom renovations, roof repairs, and playground improvements at the Milton Elementary School. Should a third round of Federal funding become available through the Economic Development Administration, this office will work closely with local citizens and members of the School Board to obtain monies for additional classroom space at Nute High School. Present conditions limit both the expansion of the curriculum as well as the effective utilization of the faculty.

In addition to working with your local administration on budget preparation, teacher evaluations, and the development of a special education program, this office has increased its efforts to provide only the highest caliber of teacher applicants for the Milton School District. Without the services of the Assistant Superintendent (the position became vacant in May, 1977) this office interviewed approximately 255 candidates for teaching positions throughout the Supervisory Union. This effort represents what I hope will become a hall mark for this particular Supervisory Union.

In summary, we wish to express our appreciation to the members of the School Board, the teachers, pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goal will continue to be the best possible education for our young people.

Respectfully submitted,

BARRY L. CLOUGH

PRINCIPAL'S REPORT

NUTE HIGH SCHOOL

At the time of this report, 281 students are in attendance at Nute High School.

There are three new staff members since last year's town report: Mr. Norman Dodge, Science, and Miss Deborah Chase, French. In addition, Gail Gage is serving the district as a part time Special Education Teacher. She is working with three students at Nute that are experiencing speech difficulties.

This year we are sending 20 students to Somersworth Vocational Program. They are enrolled in the areas of Building Trades, Auto Mechanics, Media Communications, Medical Service, and Child Care.

The task of curriculum coordination is progressing. It is hoped that the project will be completed some time during the next school year, enabling us to be prepared for accountability and state minimum competencies, which will require full implementation in 1981.

The kitchen in the basement of Old Nute was converted to an Art room. Although small, Miss Bickford has her own classroom this year.

There remains a problem of building maintenance. Assuming the budget is approved as requested, much needed repairs to prevent flooding in the basement of Old Nute will be accomplished, in addition to a continued upgrading of the overall appearance, both inside and out, of the entire building.

Mr. Tomes informs me that of the 48 graduating seniors last year, 45 have gone on to further schooling, are in the service, or have found a job.

Many thanks to Mr. Johnson and Mr. Tomes for carrying on so ably during my absence this past spring and summer. And continued gratitude to the faculty and students at Nute for their spirit of co-operation.

Respectfully submitted,

CHARLES A. CANGE
Principal Nute High School

REPORT OF THE PRINCIPAL

This year our new faculty members are:

Mrs. Nancy Myers who teaches our Readiness class.

Miss Louise Murray who teaches our third grade.

Mrs. Jeri Ginter who teaches our fourth grade.

Mr. Jim Minichiello who teaches our fifth and sixth grade Math classes.

Mrs. Joan Kaszynski and Mrs. Ingrid Holmes conduct the elementary music programs.

Miss Deborah Bickford serves as Art Coordinator.

The Milton-Wakefield Title I Reading program was continued for the 1977-1978 school year. This is funded completely by the federal government.

An application for an Economic Development Act grant was filed by school board member Joan Chase on behalf of the Elementary School in Milton. The grant was approved and work has begun on renovating the boys' and girls' lavatories. A new roof for the school (old building section) and playground resurfacing are included and scheduled for the spring.

Last spring the sixth grade spent an enriching week at Nature's Classroom in Pembroke, N. H. Plans are being made for the present sixth grade to attend this year.

As of this writing, the enrollment of the two Elementary buildings is 274 pupils. Last year at this time the enrollment was 238. This reflects an increase of 36 pupils. (15%)

In order to comply with PL 94-142, special education legislation, our school district needs to increase its services and programs available for handicapped children.

JOHN D. BUCKLEY

REPORT OF THE SCHOOL NURSE

Milton School Health Report 1976-1977

The school year started out with a series of various health screenings including vision, hearing, heights, weights, and frequent head checks for pediculosis.

During the school year all students participating in school sports had physicals by our school Doctor - Dr. Lord. Whenever an abnormal condition is found, the parents are notified and advised to consult a physician of their choice.

The School Dental Clinic for grades 1 - 6 was held during January and February. Each child participating received dental cleaning, examination, and a topical fluoride treatment. As in the past, the participation was excellent. We were again fortunate to be able to participate in the State Dental Matching Fund Program. Many children were able to receive follow-up care by a dentist which otherwise might have been impossible.

In February a measles immunization clinic was held at the High School for the benefit of all students in grades 7 - 12. This was all free of charge and over 100 students were immunized.

We were able to provide students with more health education during this school year. Many films were shown and classroom presentations and discussions were held. Some of the topics included were nutrition, hygiene, smoking, alcohol, drugs, venereal diseases, and first aid. I am always available as a resource person for the students and teachers.

I wish to extend my thanks to everyone for their cooperation and help during the past year.

Respectfully submitted,
JOAN PAIGE, R.N.
School Nurse
